

Charging sponsorships are already appearing in public event sponsorship materials.

The examples below were captured from public conference and event sponsorship materials. They show charging stations and charging lounges being sold or listed as sponsor inventory by third-party event organizations.

Public examples show charging station and charging lounge sponsorships priced from several thousand dollars to \$15,000+, depending on event size, placement, and sponsor benefits.

\$15,000

Charging Lounge sponsorship
the app dashboard.

Chair Massage Station **\$15,000**
